

Name: _____ Date: _____ Period: _____

Warm-up: Compare and Contrast Three Types of Passive Transport: Diffusion, Facilitated Diffusion, and Osmosis

Diffusion, Facilitated Diffusion, and Osmosis have these characteristics in common:

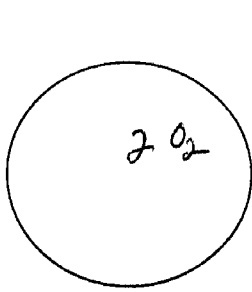

1. _____

2. _____

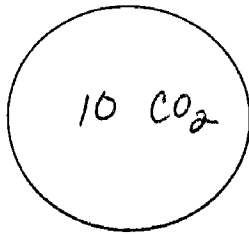

These are differences:

Diffusion	Facilitated Diffusion	Osmosis

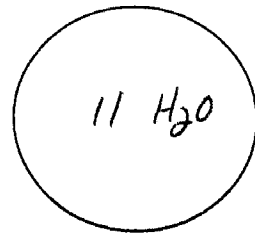

Passive Transport Problems

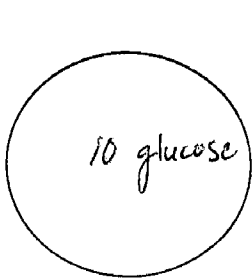

1. _____

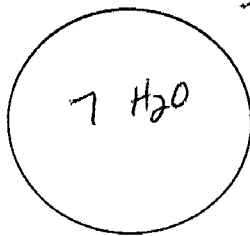

2. _____

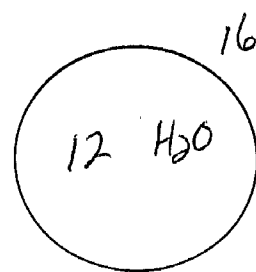

3. _____

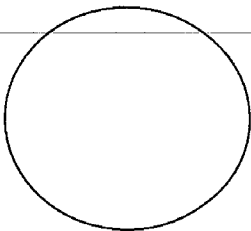

4. _____

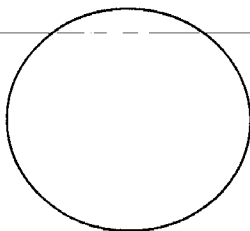

5. _____

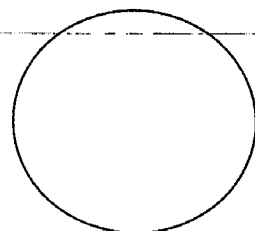

6. _____

7. _____

8. _____

9. _____
